## COMPANY PROFILE

PT. Aneka Dasuib Jaya was established in 2015 focuses on producing and selling herbs and spices; such as graviola leaves, noni, fingerroot, and many more. In the beginning of 2021, PT. Aneka Dasuib Jaya has successfully expanded the business focusing on sauce, seasoning, and food ingredients production. On top of that, our company began to join along with many franchise companies to supply their needs.

During our expansion, we are able to import seaweed (nori) for the very first time in June 2021. It takes us 4 months to quickly execute the seaweed (nori) market. Through analyzing the positive feedback and enthusiasm from the society, we are committed to focus more on developing our nori products. We started to produce Sushi Nori, Onigiri Nori, Kizami Nori, Seaweed Snack, and Seaweed sprinkle.

Based on the support of our fellow workers and professionals, PT. Aneka Dasuib Jaya is able to prioritize consumer's satisfaction through producing high-quality, hygienic, halal, practical and economical products consistently. Our products have also received MUI and BPOM RI certificates; which are safe to consume for all citizens in Indonesia.
